

## PRESIDENTS MESSAGE

### Hello Members

Well there it is again another season gone and another poised to start. I hope it turns out to be a better season than last, due mostly to weather and a lack of game fish which I think was seen fairly much all around NZ. However it was not all gloom the bottom fishing and cray fishing was excellent with some good catches.

### Whangawehi

The bottom ramp worked really well this year but unfortunately the top ramp had on going issues with sand build up. The costs there have been mounting with continual digger hire so the committee has been exploring the possibilities of buying a used wheel digger. If there is anyone out there knows where there is a good deal on one please let us know.

### Club hut

Things have been steady this last season with no major problems arising. Joe purchased a new computer as the old one died and we replaced one of the barbeques. The club is now looking at purchasing two more chillers for the bar and upgrading the sound system ready for this coming season.

### Tractors

The tractor maintenance is on-going and relentless and the cost of repairs are mounting so I urge you as club members please treat your club tractors with respect and if you happen to see them being abused please let us know so we can deal with the offenders. Many thanks to Bruce and Joe for their hard work in keeping the tractors fuelled, lubed and maintained.

### Committee

This Year we have two resignations from long standing committee members Joe Hedley and Jenny Hills who have done a sterling job for twenty or more years and on behalf of the committee thank you very much .

The club will be needing a new treasurer this season so if there is anybody out there that would like to do there bit for the club please let us know. We will also need a replacement for Jenny who can help with competitions, prizes, office, cups etc etc. I hope to see a good turn out for the AGM this year and as usual there will be refreshments and BBQ. Finally, I wish to personally thank all of the committee members for their hard work and commitment.

I hope everyone has a great season on the water, be safe, do a pre-season check on your safety equipment and electronics too.

Kind Regards  
Stu Halpin

**• THANKS TO OUR SPONSORS •**

Once again this year your club has had good support from sponsors and supporters for our tournaments and general support to allow the club to supply the tractors and other services that members need. Some of those sponsors and supporters are keen fishers themselves and join in with club activities. Others are simply supporting the club because the members bring economic benefits to the community and help keep businesses operating in Mahia & Wairoa as well as Hawke's Bay and Gisborne. We try to acknowledge the support of these businesses on tournament maps, on the radio skeds during tournaments and at club events. You can do your bit too by choosing to buy from those businesses which support our club. Don't forget to tell them that you are supporting them because they support our club and you appreciate their support.
