

PRESIDENTS MESSAGE

Hi everyone, well it's been a busy old year for me and very little fishing so I hope everyone has had a bit more time on the water than I have. From all accounts fishing has been good when out even though the game fishing was a bit sad.

Club Rooms

The club has been ticking over well with good membership numbers. Not a lot of work or improvements required this last year just a couple of new Bar Fridges to make the job upstairs a bit easier plus a blue tooth wireless sound system which is working ok.

Whangawehi Ramp

There has been some work done there but needs more. The committee is looking into some more retaining wall and ramp repairs but that will be sorted by the incoming committee this coming season.

Competitions

All our competitions went ok this year with a small but never the less a profit, fish numbers for the game comp were low but from what I have been told everyone enjoyed it as the weather was reasonable thanks to Garrie and Beth for their effort on the launch of Beth's Bubbles on the beach and the ongoing 5+5+5 comp. Also thanks to all the committee and helpers who contributed to making them all happen

Tractors

Tractors have cost a bit this year and they have been stuck a lot more this year than we would like So Please Be careful with them they are one of your club's major assets. If you are unsure where to go or not to go Please ASK a committee member. Also, big thanks out to All the people who retrieved the tractors. If we had to hire in a tow truck it would have cost those who got them stuck!!

Thanks to Bruce for the ongoing maintenance on our tractors and Joe for the re-fueling.

Once again Thanks to all the committee, our helpers and you our members for a great season

STU

Notice of Annual General Meeting

Saturday 22 September 2018
at 4pm at the clubrooms

This is the time when members can have their say on club affairs and to volunteer for contributing by being on the management committee.

See You There!

A note from the Treasurer and Membership co-ordinator

Hi all, just a note to update you on some changes that are happening this year. Firstly, Joe Hedley has made the decision to step back on the treasurer and membership role in preparation for handing the full responsibility over to Stephen and myself. I think it is fair to say that Joe has done a fantastic job over the past few years with this portfolio and we are very pleased that he is still in the background mentoring us into the role.

As you can well appreciate with around 450 members or so, now is a good time to take the opportunity to streamline some processes with regards to membership in order to remain responsive but practical with the management of this and we will endeavour to keep you updated with any changes that may need to be made.

Once you have received your membership renewal, online payment for subs is the preferred option. Please ensure that you put your name in the reference field which will help us process your membership in a timely manner.

Once your membership is paid up, we will post the new tractor key, stickers and membership card to you. Before completing this year's membership, can you also please take the time to ensure we have the correct contact details for you as this reduces any delay in getting your membership pack.

It will no longer be possible to pick a key up from a private address on an evening when you arrive at Mahia, unless prior arrangement has been made. We are hoping to offer the alternative of having the fishing club manned by a committee member on Saturday mornings over the summer season where you can come to ask questions, network or pick your membership pack up.

As with anything, good communication is the key to ensuring everything runs smoothly and certainly if you have any suggestions or ideas to put forward on how we can make the membership process more user friendly, please do not hesitate to let us know.

Looking forward to seeing you in Mahia this summer and out on the water.

Regards

Rose and Stephen Smith

• THANKS TO OUR SPONSORS •

Once again this year your club has had good support from sponsors and supporters for our tournaments and general support to allow the club to supply the tractors and other services that members need. Some of those sponsors and supporters are keen fishers themselves and join in with club activities. Others are simply supporting the club because the members bring economic benefits to the community and help keep businesses operating in Mahia & Wairoa as well as Hawke's Bay and Gisborne. We try to acknowledge the support of these businesses on tournament maps, on the radio skeds during tournaments and at club events. You can do your bit too by choosing to buy from those businesses which support our club. Don't forget to tell them that you are supporting them because they support our club and you appreciate their support.
